BIVI TARP

Ideal as light weight 3 season shelter, the Bivi Tarp comes with 2 poles, tarp style flysheet, mesh inner and fully seam sealed groundsheet. It is perfect for short, light weight, summer trips

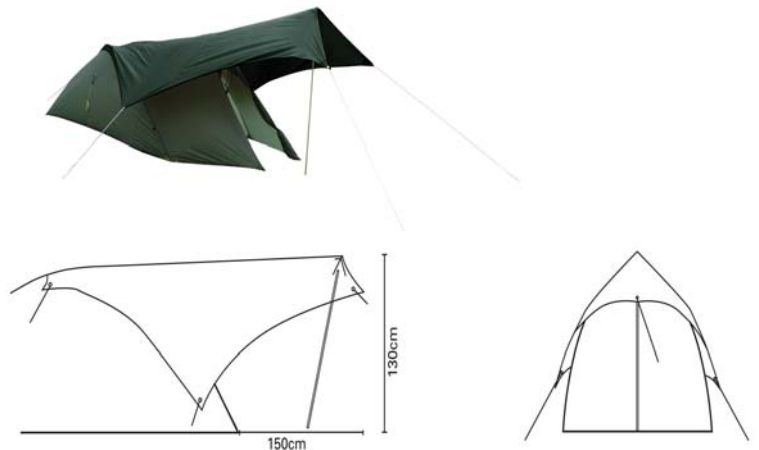

TARP SHELTER

This simple and incredibly light tarp, offers shelter for 2 at a mere 178g. Comprising a tarp style flysheet, 2.5m x 1.5m, with reinforced eyelet positions, the Tarp shelter offers the simplest and lightest shelter in our range

MULTI TARP

This is designed to fit over the entrance to the following tents: Quasar, Ultra Quasar, Super Quasar, Voyager, Superlite Voyager. It offers a significant amount of extra porch space, and therefore great flexibility to each of these styles. Perfect for extended summer camping trips.
