Description

This tried and trusted, single pole tunnel design has proven itself over the years and is a popular style with weight **CONSCIOUS** backpackers and adventure racers. The Zephyros Lite range trims a sizeable amount of weight off the standard range by using a high specification ripstop polyester flysheet and groundsheet fabrics.

Based on an existing highly successful and award winning Terra Nova design, (the Laser series) the single poled **Zephyros** gives sturdy performance and resistance to bad weather whilst also offering spacious sleeping and storage areas. The tent pitched flysheet and inner together for speed and simplicity and features mesh venting for comfort.

Features: Great value, low weight, proven design, ripstop flysheet, lots of space for low weight and pack size, taped **seams**, fully **waterproof**.
