## Description

**The Helm 1 is a lightweight, free-standing tent which is well proportioned, ideal for the camper or backpacker looking for a lightweight tent which offers plenty of space and excellent ventilation**

- â–° It has a generous inner with good head height and a spacious porch.
- â–° Designed for medium duration backpacking and camping trips where more space is needed
- â–° Suitable for 3 season camping
- â–° Provides more stability and space than a Zephyros 1 tent
- â–° Mesh panels run around the top of the inner and there is a half midge-proof mesh inner door for additional ventilation
- â–° A small door at the back of the inner provides access to the space under the flysheet for extra storage.
- â–° The tent pitches with the inner and flysheet together and has colour coded alloy poles for ease of pitching
- â–° The Helm 1 can be used for wild camping as well as campsite use.
