Description

2-man tent ideal for DofE expeditions

The Hoolie Compact 2 is a spacious 2 person tunnel tent, which is easier to carry thanks to compact size of just 30cm long. It's ideal for backpacking trips and group use and is a proven, popular model for Duke of Edinburgh's Award expeditions, Scouts and Cadets. Good for longer trips where campers might be looking for more space.

â– Tunnel tents provide good headroom and are quick and easy to pitch.

â– The flysheet and inner pitch together and with 2 poles the same length it's very straightforward to put up. Pegging out is even easier with combined pegging points for the inner and flysheet.

â– When it's time to strike camp and move on, simply fold up the tent and then roll it in to the tarp style bag.

â– The Hoolie Compact 2 is rated for 3 season use ie designed for spring to autumn weather conditions. For those wanting to venture off the beaten track it's suitable for wild camping as well as campsite trips.

â– This 2 person tent includes plenty of ventilation, with vents under the hoods at each end, the door zips allow the front vent to be adjusted depending on weather conditions. The top of the inner door also includes a mesh panel

â– It uses reliable lightweight Wild Country Superflex alloy poles and tried and tested Wild Country, high performance flysheet and groundsheet fabrics which are fully taped to provide complete protection from the elements.

This is a perfect tent for Duke of Edinburgh's Award expeditions and other youth groups such as Scouts, Cadets and Guides who should be able to pitch camp quickly at the end of the day whatever the weather.

A 3 person version of the tent is also available the Hoolie Compact 3

A footprint which sits under the inner and porch area to prolong the life of the tent and help keep it clean can be purchased separately [Hoolie Compact 2 Footprint](#)
