Description

Good value 2-man tent by Wild Country

The Coshee 2 tent is ideal for backpackers on a budget who need quality and reliability.

â€”This 'wedge' style tunnel tent has 2 doors and 2 porches, so easy access for occupants and ample storage space for gear.

â€”It's quick and easy to pitch; it's a simple design and the inner is attached to the flysheet enabling the tent to be erected as one - handy for speedy pitching in wet weather.

â€”The Coshee 2 comes with lightweight Wild Country Superflex alloy poles which offer superb reliability and strength and they're colour coded to simplify pitching.

â€”We've used tried and tested Wild Country fabrics, included vents to help manage ventilation and condensation and the tent is seam sealed to provide excellent protection from the elements.

Groundsheet protectors (footprints) can be purchased separately to prolong the life of the tent groundsheet and help keep it clean. Footprints also cover the porch area of the tent which helps keep gear protected and off the ground. [Coshee 2 Footprint](#)

1 person and 3 person version the tents are also available Coshee Micro and Coshee 3.
