### Description

#### 4 season tunnel tent for 3 people by Wild Country

â–° Developed for 4 season use, the Blizzard 3 has a huge porch perfect for kit storage or useful extra space if the weather confines you to the tent.

â–° For extra durability the tent has been designed with a nylon flysheet which also sheds precious grammes compared to a similar tent with polyester flysheet.

â–° The Blizzard 3 has a great space to weight ratio and with 3 poles and taped seams it should provide outdoor enthusiasts with the reassurance to continue their adventures all year round.

â–° It is easy to pitch and comes with a tarp style bag making it easier to pack away when it's time to move on.

A 2 person version of the tent is available the Blizzard 2.

Footprints to prolong the life of the tent are available [Blizzard 3 Footprint](#)
